 **School Plan**

School Plan helps families

Ensuring school fees are paid on time can be a challenge for many families. Whether it's a matter of balancing the household budget or keeping track of when payments are due, school fees can sometimes be overlooked.

This is where *School Plan* can help

ASG School Plan (School Plan) pays your child's fees in full, directly to the school when due, while you pay *School Plan* in easy-to-manage fortnightly or monthly instalments.

Taking the hassle out of paying school fees – how does *School Plan* work?

School Plan is an annual school fee payment service that pays the full term or semester fees when due. We liaise with your school to obtain your fee schedule and due dates for payment. This information is then used to calculate your monthly or fortnightly instalments.

Once your upfront instalment is received, payment will be made to your school. Your school will continue to send itemised accounts that provide information on the status of your accounts and confirm *School Plan* is paying your fees.

Your instalments, along with the service fee are directly debited from your nominated bank account or credit card (*School Plan Plus* only) on a fortnightly or monthly basis.

What does *School Plan* cover?

For a service fee as low as 3.95 per cent of the total fees to be funded, the following can be included:

- ✓ Tuition fees
- ✓ Boarding fees
- ✓ Camp fees
- ✓ Building fund donations
- ✓ Extracurricular activities

This service cannot be used to cover any arrears that a family may have accumulated at the school.

Why choose *School Plan*?
